

Take Control of Your Business

WiseCall is a modern company that focuses on specific assistance to its clients in order to facilitate all their internal reporting structures. We have a technologically advanced call centre operated by multilingual call-takers that are trained legal, health and professional advisors.

WiseCall products such as ScamStop™ and YourCall have been specifically developed to facilitate the reporting of unethical health and safety-related issues in multiple environments like businesses, schools, universities or learning institutions. Problem areas such as lack of safety at work, internal crime, fraud, sexual harassment, bullying, mobbing, violence, drug or alcohol abuse, discrimination, intimidation and all H&S or environment related issues can be reported in a totally anonymous manner through the safe whistle blowing or tip-off reporting mechanisms offered by WiseCall. The identity of the informer is protected at all times.

WiseCall's services provides to facilitate adherence or compliance to existing legislation such as the Occupational Health and Safety Act, Protected Disclosure Act, Kings Reports on Corporate Governance, Financial Intelligence Centre Act (FICA) and the Prevention and Combating of Corrupt Activities Act.

WiseCall has been specializing in this professional field for over 30 years.

With the support of WiseCall's state of the art control centre and its team of professional assistants, this complex and necessary part of your business will be taken care of, so that you can focus on your other more important issues.
